Bringing Bold Visions to Life – On Budget & Beyond Expectations

About Elizabeth Erin Designs

At Elizabeth Erin Designs, we don't just design spaces — we guide transformations.

For over two decades, we've delivered refined interiors and concierge-level service for homeowners, developers, and vacation rental investors. Our signature 5D Process offers the clarity, strategy, and creativity required to bring bold visions to life — on budget and beyond expectations.

Livable Luxe Interiors & Concierge-Level Design, Nationwide

Our Signature 5D Process

With Elizabeth Erin Designs, your time, budget, and vision will always be protected.

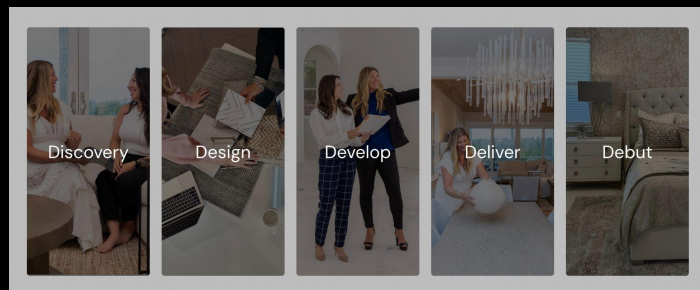

Discovery – We uncover your goals, values, and how your space needs to function.

Design – Mood boards and 3D renderings bring your vision into focus.

Develop – We create construction-ready documents and partner with your team.

Deliver – White-glove installation and on-site support from start to finish.

Debut – Your space, styled and complete — ready for its close-up.

“Jodi and her team saved me from drowning in selections during our new build. They took all my ideas and turned them into something functional, beautiful, and me. My only regret is not hiring them sooner.”

— Jennifer P.
